

STUDENT LEADER ACADEMIC ELIGIBILITY POLICY

Updated: July 2024

Presented to University Senate: January 2012

I. POLICY STATEMENT

Per [Article XV Section I](#) of the University By-Laws, and consistent with said article, this policy is established to ensure that students are appropriately eligible to hold leadership positions in student organizations and programs and initiatives supported by the Department of Student Activities (DSA) at the University of Connecticut. Effective implementation and enforcement of this policy is intended to place primacy on a student's educational success.

In support of the University's Academic Mission, if a student is determined to be ineligible pursuant of this policy, the Department of Student Activities reserves the right to limit that student's leadership in a Tier III Student Organization or within the programs and initiatives under its purview.
